

A NEW PURPOSE for PIES

JUMPERS for GAZA

Lin is once again picking up her pastry utensils for a new project for 2021.

Last year Holy Trinity's Lent Lunch was to be held to raise funds for The Hope Christian Trust, but unfortunately the Covid pandemic prevented Lent Lunch from taking place.

Therefore all the money made from pies sold from January to March, will go to The Hope Christian Trust. Supported by Janet and John Angle, the aim is to be able to raise money to send cases full of jumpers, etc. to Gaza.

The simplest way to do this is for Janet and John to take extra cases [at £30 each] on their next trip to the Middle East and to pass them onto The Hope Christian Trust for distribution in Gaza.

As to the pies, the prices remain as last year – Big Pies at £2.50 each and 3 small pies for £5. Lin still has a good supply of apple, damsons, plums and blackberries, and a few other small quantities of other fruits. Please give her a ring for orders on 838515

PS – if anyone has a large, serviceable case that they don't want anymore, please let Lin know, as long as you can hold onto it until the Angles can arrange their next flight to the Middle East
